DO YOU KNOW SOMEONE WHO IS CURRENTLY STUDYING OR IS ABOUT TO COMMENCE STUDYING A TEACHING DEGREE?

No matter where they are in Australia, ALC offers students the opportunity to complete many of the requirements to be eligible for accreditation as a teacher in a Lutheran school, while concurrently studying a teaching degree at another university.

The **Lutheran Strand** is a program which helps to prepare teachers to teach Christian Studies. It adds a Christian Studies minor to initial teaching studies and is highly regarded by those who employ teachers in Lutheran and other Christian schools. Many Bachelor of Education programs have elective spaces where Lutheran Strand units can be studied and cross credited.
