## USED STAMPS

Thank you for a large number of stamps which have been  
received in the past week or so. Keep them coming! Remember  
that when removing a stamp from an envelope approx. 1 cm  
needs to be left around it when tearing it off (careful with cutting!)  
When there are any serrated edges (perforations) cut or damaged  
the stamp is of no value and instantly on its way to the bin!!
