*Dear Friends,*

The Barossa Branch of Make-A-Wish is reaching out to all people of faith to participate in a rewarding project which offers the opportunity to personally witness the miraculous birth of Lord Jesus Christ, while at the same time knowing that you are playing your part in bringing hope and happiness to some very sick children.

Currently our branch of eighteen volunteers and many helpers is working hard to fulfil the wishes of fifteen children, by raising thousands of dollars each year and visiting and maintaining ongoing chats, cards, small gifts up until a child's wonderful wish of a lifetime is granted. Please check out what we do on Facebook (**Make-A-Wish Australia, Barossa Valley Volunteer Branch**).

How you can help to bring happiness to chronically ill children. Our branch is hoping to offer a huge open air nativity performance on one of the Barossa ovals in November 2025. Such nativities took place in Balaklava over ten years ago, with audiences of up to 2,000 people. This is an opportunity to spread the love of Christ to many folk who may no longer be involved with a Christian Church family.

We have the script, we have the sheet music, we have over sixty costumes. What we need now is a cast of at least eighty from across the broader Christian community to make the project a 'goer' and we would love you to participate as a singer, an extra or a set builder and/or decorator. It is important to mention that we have no desire to compete with any other Christmas celebration and, for that reason, this offering will take place in early November.

If you would like to be a part of this special offering, please email me the following information, so that we can determine whether there's enough interest for the project to go ahead. There is no cost to your involvement, only a bit of time. Please send the name and age of each volunteer, email and mobile contact, and whether singer, on-stage extra or construction volunteer. Please forward your information to me at [paulenas@optusnet.com.au](mailto:paulenas@optusnet.com.au)

Kind regards,

Paul Paulenas  
On behalf of The Barossa Branch of Make-A-Wish

P.S. A big thank you to your Leaders in Faith who have passed this message on to you
