Camp offers so many fun things for our young people to get engaged in. There are awesome electives such as sport, music, arts, cooking as well as a service elective this year where we get to practise what it means to give back. We play games, engage in team building activities, small group time, eat incredible food, have the opportunity to make new friends and of course we learn about Jesus through worship and bible study time. CLW is an opportunity for young people to learn about Jesus in a fun, encouraging environment with other believers from our local region.

This year we are exploring the theme of **The Collective**, delving into what it means to live out faith as a Christian in community, in the way that God designed for us.

In Year 7-12? We can't wait to see you on camp this year!
