NEEDED: ENGLISH CONVERSATION PARTNERS ONLINE

The purpose of the Lutheran Church in Cambodia teaching English to their communities is to open doors for the gospel to be shared. Although the teachers are enthusiastic and invested in this ministry, most do not have teaching degrees. The purpose of this program is to provide online support to mentor and enable these teachers to practice their English.

If interested you will connect via Zoom once a week from Sept 3 - Nov 5. Each 60 minute session will begin at 8am Cambodian time (10:30 am CST).

To register your interest or for more details, please contact Erin Kerber at erin.kerber@lca.org.au

NEW BULLETIN/NEWSLETTER

As part of SBLC integration, a streamlining of the member communication process will begin with a restructure of the current bulletin. These changes are designed to create effective communication while also considering how resources are managed. Currently each congregation manages its own communications, producing a newsletter which is emailed and often printed.

What's Changing?

The newsletter will be produced using Mail-Chimp, an online communication platform with input from each congregation.

What Do You Need to Do?

You are encouraged to receive the newsletter by email. However, if you prefer a printed copy, please let Colleen know. If you already receive the newsletter via email, it will initially come from the same email address but will look a little different.

These changes will result in all the Southern Barossa Lutheran Churches receiving the same newsletter. It will include news items that relate to all congregations but also has a section dedicated to each individual congregation. It is planned to produce this first combined newsletter for distribution on Friday 6th September.

If you have any questions regarding these changes, please do not hesitate to speak to Colleen in the church office. Contact details are bottom right on this page. Your feedback is valued and will help to create strong communications as we transition to a combined church.
